**Get on down to do it**

**Photographs by ?.**

**A small show allows club members to show their own layouts - Chapel End built and owned by Mike Upton; Bambleford built and owned by Mark Bacon; Dramtot built and owned by Graham Atkins, which included some scenic changes. Mike Sumpter and Derek Town demonstrated their G Scale rolling stock that would normally be running around their gardens. Don Pearson displayed a miniature layout inside a hard case built by his wife Sheila. The club took Chedham and Hinton Somerville.**
